Offering visual and acoustic privacy solutions, **Silen acoustic hubs are inspirational spaces**

**Help your teams perform at their optimum level and help your company reach the turnaround goals you have been working for**

# Acoustic Hubs

**Silen hubs are up to 43dB lower than outside of them measured on-site – which is up to 10dB more than many other comparable acoustic hubs**

**SOCIAL SPACES**

**The ability to create a mix of diverse workspaces means that an organisation can create balance for its workers, thereby optimising their potential productivity and output**
